Work to begin July 22 on Hwy 49 near Elgin, Glen Ullin

The North Dakota Department of Transportation will begin construction July 22 on N.D. Highway 49 for approximately 31 miles from Elgin to Glen Ullin. Road work will consist of a thin lift asphalt overlay.

During construction:

- Traffic control during the day will consist of a one lane closure, flagging and pilot car.
- Speed limit will be determined by the pilot car in sections where paving is going on, and will remain 65 mph throughout the rest of the project.
- At night, after the work day, there will be no pilot car, and the speed limit will be reduced to 55 mph in sections of uneven pavement, and remain 65 mph throughout the rest of the project.

Work will take approximately one month, weather permitting.
